Office of the Secretary

Agency Information Collection Activities: Proposed Collections; Comment Request

The Department of Health and Human Services, Office of the Secretary will periodically publish summaries of proposed information collections projects and solicit public comments in compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995. To request more information on the project or to obtain a copy of the information collection plans and instruments, call the OS Reports Clearance Officer on (202) 690-6207.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

*Proposed Projects 1. Evaluation of the Office of Minority Health's Resource Center—NEW—*The Office of Minority Health proposes to survey customers of the Office of Minority Health Resource

Office of the Secretary

Agency Information Collection Activities: Submission for OMB Review; Comment Request

The Department of Health and Human Services, Office of the Secretary publishes a list of information collections it has submitted to the Office of Management and Budget (OMB) for clearance in compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) and 5 CFR 1320.5. The following are those information collections recently submitted to OMB.

*1. Evaluation of the Proposed Cash and Counseling Demonstration—New—*Cash and Counseling is a consumer directed care model for individuals in need of personal assistance services. A demonstration project utilizing this model is being undertaken. The Office of the Assistant Secretary for Planning and Evaluation, in partnership with the Robert Wood Johnson Foundation, is planning to engage in an information collection for the purpose of evaluating this demonstration project. Controlled experimental design methodology will be used to test the effects of the experimental intervention: cash payments in lieu of arranged services for Medicaid covered beneficiaries. *Respondents:* Individuals or Households;—*Burden Information for Participation Interview—Number of Respondents:* 7,875; *Burden per Response:* .08 hours; *Total Burden for Participation Interview:* 630 hours—*Burden Information for Baseline*

Agency for Toxic Substances and Disease Registry

[Program Announcement 98104]

Notice of Availability of Funds; Cooperative Agreement for a Research Program to Study the Dermal Toxicokinetics of Methyl Parathion

A. Purpose

The Agency for Toxic Substances and Disease Registry (ATSDR) announces the availability of fiscal year (FY) 1998 funds for a cooperative agreement, for a research program to study the dermal toxicokinetics of methyl parathion. This program addresses the Healthy People 2000 priority areas of: Environmental Health and Surveillance and Data Systems. Dermal exposure is the primary route of exposure in residential scenarios. Since November 1996,
